

Description

SUT is able to Receive and process acknowledgment messages from an IIS that indicate there were no errors found during the course of processing the patient immunization record.

Pre-condition

The SUT has transmitted administered vaccine.

Daniela Jennifer Wyatt is the practitioner.

Post-Condition

An acknowledgement (ACK Z23) is received and processed by the SUT.

Go to the Step 5.2.1

Test Objectives

To test the ability that the SUT is able to Receive and process acknowledgment messages from an IIS that indicate there were no errors found during the course of processing the patient immunization record.

Evaluation Criteria

The acknowledgement message AA is visible in the SUT, the system responsible for the content of the transmission message.
